Mercedes-Benz and NAFTA documents appear in the appendix.

Responsible oversight. Clear reporting.

A structured distinction between portfolio values, proposals and documentary evidence.

01 **Evidence and records**

Portfolio entries are based on information supplied by management.

02 **Jurisdiction consistency**

The Swiss company address is recorded separately from project locations.

03 **Counterparty documents**

Agreements and signing authority should be reviewed for currency.

04 **Separate project universes**

CHF 30M portfolio and CHF 115M proposals are distinct.

05 **Projection consistency**

ROI time horizons and scenario assumptions should be reconciled.
